Раздел 2 (задания по чтению)

9. Вы проводите информационный поиск в ходе выполнения проектной работы. Определите, в каком из текстов **A–F** содержатся ответы на интересующие Вас вопросы **1–7**. Один из вопросов останется без ответа. Занесите Ваши ответы в таблицу.

1. What are the impressive facts about Sunday papers?
2. What is one more proof of the importance of the papers?
3. What are the papers for better educated people?
4. What were the results of the desire to attract more readers?
5. What is the alternative source of news?
6. How could one in Britain tell what kind of paper the person was reading?
7. What can we find in any newsagent's shop in Britain?

A. As in many other European countries, Britain's main newspapers are losing their readers. Fewer and fewer people are buying broadsheets and tabloids at the newsagent's. In the last quarter of the twentieth century people became richer and now they can choose other forms of leisure activity. Also, there is the Internet which is a convenient and inexpensive alternative source of news.

B. The 'Sunday papers' are so called because that is the only day on which they are published. Sunday papers are usually thicker than the dailies and many of them have six or more sections. Some of them are 'sisters' of the daily newspapers. It means they are published by the same company but not on week days.

C. The quality papers or broadsheets are for the better educated readers. They devote much space to politics and other 'serious' news. The popular papers, or tabloids, sell to a much larger readership. They contain less text and a lot more pictures. They use bigger headlines and write in a simpler style of English. They concentrate on 'human interest stories' which often means scandal.

D. Not so long ago in Britain if you saw someone reading a newspaper you could tell what kind it was without even checking the name. It was because the quality papers were printed on very large pages called 'broadsheet'. You had to have expert turning skills to be able to read more than one page. The tabloids were printed on much smaller pages which were much easier to turn.

E. The desire to attract more readers has meant that in the twentieth century sometimes even the broadsheets in Britain look rather 'popular'. They give a lot of coverage to scandal and details of people's private lives. The reason is simple. What matters most for all newspaper publishers is making a profit. They would do anything to sell more copies.

F. If you go into any newsagent's shop in Britain you will not find only newspapers. You will also see rows and rows of magazines for almost every imaginable taste. There are specialist magazines for many popular pastimes. There are around 3,000 of them published in the country and they are widely read, especially by women. Magazines usually list all the TV and radio programmes for the coming week and many British readers prefer them to newspapers.

Запишите в таблицу выбранные цифры под соответствующими буквами.

The Isle of Man

In the Irish Sea about 20 miles away from the UK you will find a beautiful island. This is the Isle of Man. The people of the island are called Manx and they speak the Manx language. The island occupies a mid-point in the Irish Sea and the British Isles – right between England, Ireland, Scotland and Wales.

The scenery of the Isle is varied. There are ranges of hills with green valleys between them, there are sandy beaches in the north which contrast with the rocky cliffs along the coasts. The island's only mountain is slightly over 600 metres high. An old legend says that from its top on clear days you can see six kingdoms: the island itself, Scotland, England, Ireland, Wales and Heaven.

The Isle of Man has the oldest parliament in the world. It is called the Tynwald and it has met regularly since 979. The Tynwald usually meets in the capital of the country. However, for one day every summer the Manx parliament

gathers in a small village to celebrate Tynwald Day. It is the only day of the year when parliament is held in the open air. On this day government officials read a summary of all the laws that have been passed during the year in both the English and the Manx languages. There is entertainment before and after the ceremony and it is a real community event. In addition to that, an open air market is organised and different concerts are held in the evening. At the conclusion, the Manx national anthem is played and there is a firework display.

Another thing that attracts tourists to the Isle of Man is its rich and unique culture. Any visitor to the island will be particularly fascinated by the legends, folklore and the ancient traditions that are still kept alive today. Most tourists are happy to participate in the folk programmes.

In Manx mythology, the island's name comes from the name of a Celtic sea god. He ruled the kingdom and protected the land from invaders by covering the island with mist and thick fog. The island is also reputedly home to fairies who are very special. The Manx fairies are described as small and human-like. They wearred caps and green jackets and are naughty and wicked.

There's even a bridge called Fairy Bridge. Those who cross it are advised to say "hello fairies" in order to get good fortune. If the person doesn't greet the fairies, the fairies will become angry with him and may play a nasty trick on him. Some people go further in trying to pay their respects to the 'little people'. They do not just simply say hello, they also leave messages and gifts at the side of the road.

If you love reading about King Arthur and his knights, then a must-see place is Peel Castle. It was constructed in the 11th century by the Vikings and has a fascinating history. It is believed that Peel Castle was the location of Avalon – the legendary island where King Arthur's sword was made and where King Arthur was taken after being wounded.
